MINERL KING PRESERVATION SOCIETY

CALENDAR

1988

February 21, 1988

John Elliott met with MKPS board members for a meeting. Proposal to draft a letter to SHIPO requesting a Grant for 1988. Minutes of meeting inclosed, you have already been sent a copy of this letter.

March 16, 1988

Kathryn Gualtieri, State Historic Preservation Officer, called Ora Kay to tell the MKPS they were unable to give us a grant for our research in MK. We are on federal land which would make us ineligible--the NPS should be doing this research themselves. We had a long conversation on the telephone. She suggested we meet with another officer, Marlyn Lorti who will be in San Luis Obispo April 8, 1988, save us a trip to Sacramento, who might offer suggestions on filling out the NR application. Also she would be sending us letter on names of other people on federal land who might help us.in our situation.

April 6,7,8, 1988

John Elliott in Visalia to help get individual packets ready on the MKPS and pertinent information on what our district application will entail.(Mineral King Historic District), pictures of cabins, the Archaeologic Advisory Group which is working with us, and a copy of Jim Parks, Cabin #16 EMK history, copy of "Los Tulares" Quarterly Bulletin of the Tulare County Historical Society on Mineral King, September 1965, Also included were newspaper articles, and a copy of "Beulah" for SHIPO office.

John Elliott left Visalia on the 7th for Pleasant Hill to the Bureau of Mines and Berkely to the Averys to return their research materials we had borrowed, Also he was going to try to pick up a big roasting calderon(like they used to roast missionaries in) which was left in MK many years ago which has been given to the MKPS.

April 8, 1988 Ora Kay and John Elliott met in San Luis Obispo for our meeting with Marlyn Lorti (Elliott spent the night in King City on the way down from S.F.). Marlyn and SHIPO cannot imagine a historic district 15 square miles nor why we are doing this for the NPS. After seeing our material she suggested we try the "Multiple Properties" application and complete this first since we have a cabin in jeopardy.

April 1,1988

Buelah books have arrived, biography of the MK Valley by Louise Jackson. We have a 40% discount on them, selling like hot cakes! $15.95--$16.91 with tax. Autographing by Louise May 13, 1988

Mineral King National Bank, Visalia.

MKPS T-Shirts are also here!

April 16, 1988

MKPS had a booth at the Back Country Horseman of California Convention at the convention center in Visalia. It was a huge success. Speakers were "Ike" Livermore (who bought 2"Buelah" books from us), Stan Albright, Western Region of the NPS was unable to come so Lowell White whom we have been corresponding with was there to take his place. Lots of old friends of MK were there and we were able to sell many books and some T-shirts.

April 26, 1988:

It is time to get in touch with Bill Tweed NPS to find out what information the NPS has so that we do not overlap on materials and information. John Elliott would like to have a board meeting before we meet with Bill Tweed and rest of NPS. Inclosed is Bill Tweed's letter in respnse to the letter the NPS received form SHIPO which you received in the last mailing.

May 13, 1988

Louise Jackson at Mineral King National Bank Friday 13, 1988, 9:00 -11:00 AM.--2:00-4:00PM . We will be selling "Beulah".
Pre-order books: Joan Simons (209)732-3264
Ora Kay Peterson (209) 734-6150
I would like to get a person from each city to be able to contact for Beulah books.

Does anyone want to go out for dinner with Louise Jackson and the Petersons Saturday night May 14, 1988, please join us! Estradas, Vintage Press, or where? Any ideas?

Sincerely,

Ora Kay

(to do everything')

P.S. We're still looking for a Secretary--MKPS and MKDA!

(to take minutes of meetings)

Vol. 50, Great West & Indian Series

A story of man's dreams in a land of expectation and beauty.

BEULAH:

A Biography of the Mineral King Valley of California

By LOUISE JACKSON

The Mineral King Valley of California has a personality as individual as any man or woman who helped shape its history. Decades of survivial, use and misuse, struggle and solitude, have etched patterns on the face of its landscape.

Mineral King is the Sawtooth Circle, an alpine valley that lies to the west of the main crest of the Sierra Nevada in California. Its eastern face is part of the Great Western Divide, with peaks rising over twelve thousand feet. Hanging canyons and granite cirques rise over timbered slopes of its valley floor. There are lakes and ridges and waterfalls, and high passes and perfect gaps, meadows, streams, and wildlife. And there is silver and gold. All lures, which has resulted in more than a century of conflict, as men tried on one hand to plunder the valley of its resources, and on the other, to preserve its beauty and heritage. Mineral King's story is the story of man's dreams—it is the story of Beulah, the biblical land of beauty. A land of perpetual hope.

This book of more than 60,000 words is a full history of Mineral King, from its discovery in 1863 until its inclusion in Sequia National Park in 1978. It covers a wide spectrum of events: mining, sheep and cattle raising, hydroelectric projects, resort development, court battles, and conservation movements; presenting a unique picture of the development of our western mountain region.

This beautifully crafted, 5½ by 8½ inch book, contains 284 pps, over 55 rare photos, notes, appendices, bibliography, and index. Hard bound, dust jacket in color. ISBN 0-87026-065-0.

Tentative price: $15.95
